Dear parents/carers

I am writing to ask for your co-operation regarding pupils riding scooters or bikes when they come onto the school site.

If children choose to travel to school by scooter or bicycle, (they can be stored at your own responsibility by the Early Years building) then can we ask that you ensure that your child dismounts their bicycle and walks their scooter once through the school gates – they should not be riding them on the school grounds.

Can we also ask that they walk bicycles and scooters from the site at the end of the school day.

The site is incredibly busy and this will ensure everyone's safety.

Thank you for you co-operation.

Yours sincerely

Mr P. Freear
Headteacher
