

*Week 7 (Spring 2) – Why is Easter Special?*

## This week we plan to...

- Read '**The Story of Easter**' and learn about different traditions.
- Talk about what we do at Easter and how we celebrate it.
- Sing '**Hot cross buns**' and talk about why we have these at Easter.
- Go on an Easter lolly hunt around Nursery!
- Make Easter cards and give them to our families.
- Recap the concepts taught this half term.
- Review 'less' and identify which bowl has less in.
- Go on a shape hunt outdoors and make a tally chart of the shapes we find. Recognise these shapes and discuss their properties.
- Continue to identify the first sound in words and think of other words that start with the same sound.
