

Week 1 (Spring 1) – Goldilocks and the three bears

This week we plan to...

- Start our new topic of '**Once Upon a Time**'.
- Welcome some new children to Nursery and spend time getting to know each other and making new friends.
- Read '**Goldilocks and the three bears**' and answer who, where and when questions.
- Order some of the story discussing what happened first and last.
- Explore different sized bowls and spoons in porridge. Can we order these objects by size using the vocabulary small, medium and big?
- Explore the feeling **happy**. Discuss when the colour monster felt happy and what makes us happy. Paint a 'happy' picture using the colour yellow.
- Learn all about the concept **bottom**. Make a tower and talk about which block is at the bottom. What happens if you take the bottom block away?
- Learn all about number 6 and explore different ways of making 6.
- Explore rhyming and read lots of rhyming stories. Begin to discuss why words rhyme. The first sound is different and the last sound is the same.
